

OFFICE ALLY REVOLUTIONIZES ELECTRONIC HEALTH RECORDS

OFFICE ALLY INTRODUCES THE FIRST EVER, EASY TO USE, AFFORDABLE EHR SOLUTION

SAY GOODBYE TO CUMBERSOME, EXPENSIVE EHR PACKAGES

Office Ally's web based clearinghouse and practice management system Practice Mate is now offering a comprehensive Electronic Health Records Program that allows providers to *spend more time with patients and less time on paperwork*. Office Ally believes that an EHR should empower physicians to be more effective and streamline the office workflow. Since it is web based, you can *have access to patient records anytime, anywhere!*
